The Wisconsin Coalition Against Sexual Assault, Inc. will once again recognize individuals and programs whose work and commitment to ending sexual assault goes above and beyond what is expected. The 2009 Voices of Courage Awards recipients will be invited to receive their awards at a ceremony held in their honor on April 8, 2009, in Madison, WI. The Voices of Courage Awards allow us to recognize the extraordinary work being done throughout Wisconsin with a broad audience. Community members and media representatives from around the state will be invited to acknowledge the contributions of the dedicated and committed award recipients.
